ROLLING SUBSTITUTIONS

The Regulations for rolling substitutions, are now covered by RFU regulation 13, APPENDIX 2

Clubs should be aware of the changes in responsibility of the Man Off and Rolling Substitutions. The Sanctions Guidelines now allow for sanctions where a team has the wrong number of players on the field at any time or makes too many substitutions. This is irrespective of the referee's decision or advice at the time. A Club is responsible for complying with the regulations and is no longer able to hide behind referee error. Therefore any breach will be dealt with, in accordance with the guide lines.
